

Problem:

Life got in the way of all those special hand made holiday gifts for all those special someones.

Solution:

A luxurious scarf made of recycled silk and hand woven in India!

- 8-1/2 by 68 inches
- Suitable for men and women
- Goes with virtually any color

Looking Good:

The gorgeous colors in this scarf will brighten the dreariest winter day and put a spring in the step of the fortunate wearer.

Doing Good:

This recycled silk scarf is not only beautiful, it's smart! Recycling saris and leftovers from the silk weaving process keeps the beautiful fiber out of landfills and lets us continue to enjoy these radiant threads for years to come!

Only \$25.00 each, while supplies last!
