

# NOW AVAILABLE — A BOOK NEAR YOU . . .

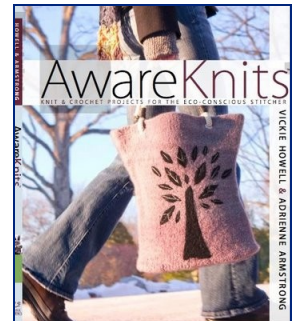

Sari Charlie

We are thrilled to be included in Vickie Howell's latest book, *AwareKnits*. From the product review: "The fiber world is all abuzz about sustainable yarns and alternative materials, and *AwareKnits* jumps on this trend with a socially conscious approach to knitting and crochet. Knitting superstar Vickie Howell and activist-knitter Adrienne Armstrong present a groundbreaking volume that's part pattern book and part crafty call to action. They offer 31 stylish projects that use a variety of "green" yarns, including ones from soy, corn, and hemp."

This amazing pillow pictured uses three Dharma colors: Silverleaf, Moonflower, and Hydrangea.

*AwareKnits* is now available at [amazon.com](http://amazon.com) and your favorite book and yarn shops. For more information, click on the link below.
